PROGRAM

Conference Date: November 25, 2022 14:00-18:00 （UTC+8）
Live Zoom Room ID: 868 7392 5321
Password: 221125

Time	Speakers & Title
14:00-14:05	**Open Ceremony**
14:05-14:35	**Speaker 1:** Prof. Xiaofang Yuan, IEEE Senior Member, Hunan University, China **Title:** Deep Learning-based Path Planning for Vehicles on 3D Map
14:35-15:05	**Speaker 2:** Prof. Qinmin Yang, IEEE Senior Member, Zhejiang University, China **Title:** Theoretical research and practice in intelligent control design for wind energy
15:05-15:10	**Photography**
15:10-15:40	**Speaker 3:** A. Prof. Santhosh Krishna B V, New Horizon College of Engineering, India **Title:** CVIP- Computer Vision and Image Processing : Research Opportunities , Challenges and Future Directions
15:40-16:10	**Speaker 4:** A. Prof. Shiling Zhang, State Grid Chongqing Electric Power Company Chongqing Electric Power Research Institute, China **Title:** Research on application and practice of intelligent computing for high-voltage power equipment under the background of new power system
16:10-16:40	**Speaker 5:** A. Prof. HILAL Imane, School of Information Sciences, Morocco **Title:** Cloud computer opportunities in computer vision for E-healthcare systems
16:40-18:00	**Oral Presentations**
